

Cookie Policy of www.ecolibri.it

Cookies consist of portions of code installed within the browser that assist the owner in providing the service according to the purposes described. Some of the purposes of installing cookies may also require the user's consent.

When the installation of Cookies is based on consent, such consent can be freely revoked at any time following the instructions contained in this document.

Technical cookies and aggregated statistics

Activities strictly necessary for Operation:

This Application uses Cookies to save the User's session and to carry out other activities strictly necessary for the operation of this Application, for example in relation to the distribution of traffic.

Saving preferences, optimization and statistics activities:

This application uses cookies to save browsing preferences and optimize the user's browsing experience. These cookies include, for example, those to set the language and currency or for the management of Statistics by the Owner of the site.

Other types of cookies or third-party tools that may install them

Some of the services listed below collect statistics in aggregate and anonymous form and may not require the consent of the User or may be managed directly by the Owner - depending on what is described - without the help of third parties.

If among the tools indicated below there are services managed by third parties, these may - in addition to what is specified and also without the knowledge of the Owner - perform tracking activity of the User. For detailed information, it is recommended to consult the privacy policies of the listed services.

Spam protection:

This type of service analyzes the traffic of this Application, potentially containing Personal Data of Users, in order to filter it from parts of traffic, messages and content recognized as SPAM. Google reCAPTCHA (Google Inc.)

Google reCAPTCHA is a SPAM protection service provided by Google Inc. The use of the reCAPTCHA system is subject to Google's privacy policy and Terms of Use.

Personal Data collected: Cookies and usage Data.

Place of processing: United States-Privacy Policy. Subject adhering to the Privacy Shield.

Viewing content from external platforms:

* This type of services allows you to view content hosted on external platforms

directly from the pages of this Application and interact with them.

In case a service of this type is installed, it is possible that, even if the Users do not use the service, I myself collect traffic from the pages where it is installed.

YouTube Video Widget (Google Inc.)

YouTube and a video content viewing service operated by Google Inc. that allows this Application to integrate such content within its pages.

Personal data collected: Cookies and usage Data.

Place of processing: United States-Privacy Policy. Subject adhering to the Privacy Shield.

Google Maps Widget (Google Inc.)

Google Maps is a map visualization service provided by Google Inc., that allows this Application to integrate such content within its pages.

Personal Data collected: Cookies and Usage Data.

Place of processing: United States-Privacy Policy. Subject adhering to the Privacy Shield.

How can I express consent to the installation of cookies?

In addition to what is stated in this document, the User can manage preferences related to cookies directly within their browser and prevent - for example - that third parties can install. Through the preferences of the browser and also can delete the cookies installed in the past, including the cookie in which the consent to the installation of cookies by this site is eventually saved. The user can find information on how to manage cookies with some of the most popular browsers for example at the following addresses: Google Chrome. Mozilla Firefox, Apple Safari and Microsoft Internet Explorer.

With reference to cookies installed by third parties, the User can also manage their settings and revoke consent by visiting the relevant opt-out link (if available), using the tools described in the third party's privacy policy or by contacting the third party directly.

Not with standing the foregoing, the User may use the information provided by EDAA (EU), Network Advertising Initiative (USA) and Digital Advertising Alliance (USA), DAAC (Canada), DDAI (Japan) or other similar services. With these services you can manage the tracking preferences of most advertising tools. The Owner, therefore, advises Users to use these resources in addition to the information provided by this document.
